Allergen Information

This guide lists what allergenic ingredients are contained in each of our dishes and drinks, as well as showing whether or not they are suitable for vegetarians or vegans.

Sometimes the ingredient is not included in the menu description but may be part of a sauce for example.

Please note: The contents of this guide are for information purposes and are not a substitute for medical advice, diagnosis or treatment.

Allergens including gluten are present and used in our kitchens and bars. Despite good practices, we cannot guarantee that any of our dishes or drinks are 100 % free of allergens.

Please speak to a member of the team about any allergies and/or intolerances before you order.
